

INTRODUCTION TO PROGRAM

PURPOSE OF THE MIGRANT HEALTH FEE-FOR-SERVICE PROGRAM

The purpose of this program is to improve access to some essential outpatient health care services for migrant farmworkers and their dependents who cannot get these services covered by third-party insurance.

LEGISLATIVE AUTHORITY, FUNDING, AND PROGRAM ADMINISTRATION

The NC legislative authority for migrant health is found in General Statute 130A-223. Approximately \$700,000 of State funds is allocated each year for dental contracts and fee-for-service reimbursement for migrant farmworkers and their dependents. Migrant Health Fee-for-Service Program funds are available until obligated. The Program will make every effort to immediately notify providers should funds be near depletion and announce a deadline for submitting claims.

TITLE VI REQUIREMENTS

Title VI of the Civil Rights Act of 1964 is a federal law which mandates that all public and private agencies that receive direct or indirect Federal financial assistance (including grants, contracts, subcontracts, or reimbursement) must not discriminate in the provision of services based on race, color, or national origin (including language). All providers submitting claims for Migrant Health Fee-for-Service reimbursement should make every effort to comply with Title VI. For more details, see 'Title VI and Language Appropriate Documents' in the 'Information relating to the Migrant Health Fee-for-Service Program and Providing Care for Farmworkers' section.

ELIGIBILITY

PROVIDERS

Eligible for reimbursement: Private physicians, mid-level providers, rural health centers, dentists, mental health counselors, optometrists, pharmacies, hospitals, home health agencies, laboratories, radiology facilities, & medical supply companies.

Not eligible for reimbursement: Health departments, public mental health centers, migrant health centers, community health centers, and independent National Health Service Corps Sites.

PATIENTS

Migrant farmworkers and their dependents are eligible for the Migrant Health Fee-for-Service Program while residing in North Carolina. MHEP's determine farmworker eligibility (see p.3 for more information).

A migrant farmworker is someone who within the last 24 months 1) has worked in agriculture (at least 51% of total annual income) and 2) has moved to temporary housing for agriculture. The migrant farmworker may be employed through a crew leader, by contract (H2A or other), or by the farmer. Agriculture includes cultivating or harvesting crops on or in the land, and/or are preparing crops for market or storage. Crops include fruit and vegetable field crops, Christmas trees and wreaths, orchards, nurseries and greenhouses, sod farms, harvesting of wild plants, and reforestation.

Migrant farmworkers who are no longer performing agricultural labor due to age or disability also qualify.

A dependent is an individual who resides with and is financially supported by the farmworker, and typically may be one or more of the following: a spouse, partner, parent, child, or minor sibling (age 18 and under). Eligibility for Migrant Health Fee-for-Service is based on employment (financial determination is not required).

The Migrant Health Fee-for-Service Program is considered a payor of last resort: migrant farmworkers eligible for other third-party coverage must have those resources billed prior to billing the Migrant Health Fee-for-Service Program. Third-party reimbursement includes private insurance, Workers' Compensation, Medicaid (NC Health Check), SCHIP (NC Health Choice), and Medicare. Other Purchase of Medical Care Services (POMCS) Programs (including kidney, HIV, and sickle cell chronic care) and Children's Special Health Services are available, and should be considered for coverage of applicable chronic conditions. We encourage MHEPs and providers to utilize other public health programs and community-donated services and medical supplies as much as possible in order to conserve Program funds (please see 'Alternative Community Resources' in the 'Information relating to the Migrant Health Fee-for-Service Program and Providing Care for Farmworkers' section).

Patients or Individuals not eligible include:

- 1) crew leaders who are not doing agricultural work, or who are salaried
- 2) persons employed in residential or commercial landscaping, seafood processing, meat or poultry processing plants, the care of farm animals, lumbering, or saw mill work
- 3) seasonal farmworkers who do not migrate

PROGRAM COVERAGE

ESSENTIAL COVERED SERVICES

Primary, specialty, and urgent care: diagnostic, treatment, consultant, referral, and other services rendered by physicians, physician assistants, nurse practitioners.

Optometry: eye symptoms or disease (ie. blurred vision, eye pain, diabetes, glaucoma).
(*pterygium procedures will be covered only if needed to preserve vision.*)

Dental: basic preventive, diagnostic, simple restorative, and limited surgical procedures.
(*See the "NCFHP Dental Guide" for a list of dental codes that will be reimbursed.*)

Hospital: referred diagnostic services (i.e. laboratory, radiology) and outpatient surgery.

Behavioral: mental health outpatient services.

Ancillary: laboratory tests and diagnostic X-rays.

SERVICES NOT COVERED

Services not covered include, but are not limited to, the following:

- air and ground ambulance transport
- chiropractic services
- elective procedures
- emergency room services
- eyeglasses
- hearing devices
- inpatient, custodial, or hospice care
- prescribed medical supplies
- routine physical exams (including well-child visits)
- screening hearing and vision exams
- speech therapy

In addition, the following services are not able to be reimbursed due to budget constraints:

- home health services
- occupational therapy
- pharmacy
- physical therapy
- rental or purchase of durable medical equipment

ENROLLMENT IN THE MIGRANT HEALTH FEE-FOR-SERVICE PROGRAM

Migrant Health Entry Points (MHEPs) are responsible for initiating the enrollment process for migrant farmworkers and their dependents. The Migrant Health Fee-for-Service Eligibility Form (DHHS 3753) is used to determine eligibility and enroll patients in the program. MHEPs are entities that have been designated by the North Carolina Farmworker Health Program to determine migrant farmworker status, based on the agency's role in coordinating services for farmworkers. If your site is interested in becoming a MHEP, please contact the Fee-for-Service Program Manager at 919-733-2040 for further details.

MIGRANT HEALTH FEE-FOR-SERVICE ELIGIBILITY FORM (DHHS 3753)

One Migrant Health Fee-for-Service Eligibility Form (hereby referred to as the 'Eligibility Form') is required per patient per year and submitted forms are kept on file at Purchase of Medical Care Services. MHEPs should ask the farmworker or call POMCS at 919-855-3701 to verify if the farmworker has been enrolled for the present year prior to completing a new Eligibility Form.

Please read the instructions on the back of the Eligibility Form before completing the application. The MHEP interviewer completing the form certifies eligibility based on the information provided by the patient. The interviewer should know after completing the form if the patient is eligible. **Please do not submit the form if the patient is not eligible.** If providers have questions about a particular patient's eligibility, they can call the POMCS eligibility unit at 919-855-3701 for assistance.

If patient has been deemed eligible, interviewers are strongly encouraged to complete this form and submit immediately. The form is in Spanish and English but interviewers are discouraged from having patients complete the form as they may have difficulty understanding the questions. If the patient does complete the form, please review the form for accuracy with the patient. If the patient cannot sign, the interviewer can sign the form in their place. The Program and MHEPS have the right to verify farmworker responses to the eligibility application with the farmworkers, farmer or crew leader. In cases where false information has been provided, services may be discontinued or denied.

The MHEP should make sure the form has been signed by the patient and interviewer and stamped with the MHEP stamp before mailing the White copy to Purchase of Medical Care Services. The original White copy with the MHEP stamp is the only version that is considered valid. MHEPs are encouraged to provide a photocopy of the Eligibility Form to providers at the time of referral. The MHEP should retain the original Pink copy of the Eligibility Form, and may give the Yellow copy to the patient.

PROCEDURE FOR CHARGES & REIMBURSEMENT (for providers)

PATIENT CO-PAYMENT & REIMBURSEMENT RATES

- **Physicians, dentists, optometrists, laboratories, hospitals, and other service providers:**
- Collect a \$5 co-payment per claim form, per date of service.
- Eligible services are reimbursed based on the current Medicaid rate to a maximum of \$150 per claim form, per date of service.
- If multiple entities provide services on the same date, each may collect a \$5 co-pay and submit a claim form. For example, if outpatient surgery is performed, each entity submitting a claim form may collect a \$5 co-pay for that date of service.

BILLING THE PATIENT

Providers may not bill the patient, other than the co-payment, for any difference between the cost of the service and the reimbursed amount. Providers may bill patients for services not covered by the Program.

VERIFYING ENROLLMENT

Migrant Health Entry Points (MHEPs) will complete and submit eligibility forms and should provide copies of the Eligibility Form to both the provider at time of referral and to the patient. If a copy was not received from the MHEP and the patient does not have a copy of their Eligibility Form with them at the time of seeking care, providers should call the Purchase of Medical Care Services at 919-855-3701 to verify enrollment.

CLAIM FORMS FOR COMPLETION AND DESCRIPTIONS

To submit a claim for reimbursement, the provider should submit the appropriate provider claim form to POMCS. It is recommended that only one date of service be submitted on a single claim form.

➤ **Dentists:** ADA Dental Claim Form

Complete and send a copy of insurance EOB when available. Use ADA dental codes. Please see the "NCFHP Dental Guide" for procedures reimbursed by the Program.

➤ **Hospitals:** UB-92 Form

The following information must be completed: Numbers 1, 3, 4, 6, 12, 13, 14, 15, 23, 43, 44, 45, 46, 47, 48, 50, 51, 60, 61, 63, 67, 77, 80, 85, 86. If more than one date of service is billed, each date should be billed separately. Please attach a copy of the insurance EOB when available.

➤ **Physicians, optometrists, and laboratories:** HCFA 1500 Health Insurance Claim Form

TIME FRAME FOR SUBMITTING FORMS & REIMBURSEMENT

Claims must be received by POMCS within **one year after the date of service**, or within 45 days after the claim has been returned for more information. However, providers are encouraged to bill promptly after services are provided because **claims for covered services will be paid on a first-billed, first-paid basis until funds are depleted.**

Providers should receive payment within approximately 45 days of the date the completed claim is received by Purchase of Medical Care Services.

SUMMARY OF REQUIREMENTS FOR REIMBURSEMENT

(1) MHEPs should begin the enrollment process by submitting a completed Migrant Health Fee-for-Service Eligibility Form to the Purchase of Medical Care Services, if one is not already on file, indicating that the patient or dependent meets the definition of migrant farmworker. If a MHEP is referring an eligible patient, it is recommended that they send a copy of the completed eligibility form with the referral to alert the provider of the patient's eligibility.

(2) Providers should provide a covered service to a migrant farmworker or dependent.

(3) Providers should submit a completed claim for reimbursement on the appropriate form within one year of the date of service (but are encouraged to submit claims on a timely basis).

CONTACT INFORMATION

SEND MIGRANT HEALTH ELIGIBILITY APPLICATIONS AND PROVIDER CLAIM FORMS TO:

Purchase of Medical Care Services

Office of the Controller
1904 Mail Service Center
Raleigh, NC 27699-1904

NOTE: Do not put "Migrant Health" in the address as it will delay processing.

PATIENT ELIGIBILITY QUESTIONS

If you have a question about eligibility applications already on file, call the Purchase of Medical Care Services Eligibility Unit at 919-855-3701.

CLAIM QUESTIONS

Providers with questions about claims or who have not received payment for claims within approximately 45 days should call Purchase of Medical Care Services Claims Unit at 919-855-3702.

If you reach the processor's voice mail, please leave the full name of the patient, the date of birth, the date(s) of service, the providers' name, and your name and phone number. The processor will research your claim and call you back with information on its status.

Information relating to the Migrant Health Fee-for-Service Program and Providing Care for Farmworkers

Title VI and Language Appropriate Services

Title VI of the Civil Rights Act of 1964 is a federal law which mandates that all public and private agencies that receive direct or indirect Federal financial assistance (including grants, contracts, subcontracts, or reimbursement) must not discriminate in the provision of services based on race, color, or national origin. Since 2000, discrimination based on national origin has explicitly included Limited English Proficiency (LEP).

Title VI requirements include:

A Title VI Plan:

All sites should have in place policies and procedures for identifying the language needs of their clients, notifying clients of their rights to services, training staff, and assessing the effectiveness of services provided.

Oral interpretation services:

Sites should offer bilingual staff or qualified trained interpreters. Providers with a limited number of LEP patients may choose to use a bilingual interpreter phone line. Family members should be used only as a last resort (children aged 18 years and younger should never be used to interpret). Translated written materials. If there is a significant population of LEP patients present (either 5% or 1,000 of the eligible population or population likely to be encountered), then sites must provide appropriately translated written materials of documents vital to the provision of services, including applications, intake forms, notice of privacy, and signs. Providers should provide oral translation of written documents in settings with less than a significant population and for forms not vital to the provision of services.

All services and materials must be of the same quality as English services, and be provided free-of-charge and in a timely manner to all patients.

Resources:

- Please visit the U.S. Department of Health and Human Services Office for Civil Rights website for further information on the law and links to resources: <http://www.hhs.gov/ocr/lep/>.
- The NC Office of Minority Health has a number of resources to guide agencies and providers in fulfilling Title VI requirements. Please call (919) 431-1613 or email OMHHD@ncmail.net.
- The AT&T Language Line provides phone translation in numerous languages for a fee. Please call 1-800-821-0301.
- The NC Division of Public Health has created a manual to guide agencies and providers in producing written Spanish-language materials. See <http://www.dhhs.state.nc.us/dph/DEVSPAN-web.pdf>.
- Resources have been developed to train monolingual English-speaking healthcare providers to better communicate with Spanish-speaking patients.
 - A beginning-level textbook ¿Que le Duee? is available from Carolina Academic Press at www.cap-press.com or (919) 489-7486.
 - The University of North Carolina at Chapel Hill has designed an interactive online Intermediate Spanish class for healthcare professionals available through its Continuing Education program. Please call Claire Lorch at 919-962-4011 for more information. The curriculum, ¡A Su Salud!, will be available through Yale University Press this fall at yalebooks.com/salud.

Alternative Community Health Resources

Preventive Care and Routine Exams

- *County Health Departments* - all provide free STD checks, immunizations, and biohazard boxes, and some provide well-child checks, family planning, prenatal care, breast and cervical cancer detection, and routine exams irregardless of documentation status. Please call your local county health department.
- *Community Health Centers and Migrant Health Centers* - offer preventive and routine care for a sliding fee. For more information on the location of health centers in North Carolina, call the NC Community Health Care Association at (919) 297-0066 or visit their website at www.ncchca.org.

Chronic Illness Care

- The *North Carolina Division of Public Health* is in charge of a variety of chronic illness care programs, including Cancer Control Program (which offers time-limited diagnosis and treatment services - see www.communityhealth.dhhs.state.nc.us/cancer/ccp/coverage.htm). HIV/STD Prevention & Care can direct patients to treatment services - see <http://www.epi.state.nc.us/epi/hiv/>. As well, the Division provides funding for sickle cell and kidney disease services reimbursement. Please call 919-733-7081 for more information on these programs.

Eye Care and Eye Wear

- *Lions Club International* provides free eye screenings. For local clubs, please visit their website at www.lionnet.com/united_states_nc.html
- *VISION USA* offers free eye exams and eye wear in some locales. See their website at www.aoa.org/eweb/DynamicPage.aspx?site=AOAstage&WebCode=VISIONUSA.
- *Sight for Students* provides free eye care and eye wear for U.S. citizen children. Visit their website at www.sightforstudents.org/html/qualify.html to locate community partners.
- *New Eyes for the Needy* provides vouchers for the purchase of new prescription eyeglasses. Call them at 973-376-4903.
- *Knights Templar Eye Foundation* offers eye surgery assistance for those that have resided in the U.S. for at least three years. Visit their website at www.knightstemplar.org/ktef/.
- *North Carolina Division of Services for the Blind* offers a variety of services to detail with vision loss, including cataract surgeries, for patients with social security numbers. Visit their website at www.dhhs.state.nc.us/dsb/medical.htm.

Hearing

- *Lions Club International* will provide screenings, hearing aids, and communication aids. For local clubs, visit their website at www.lionnet.com/united_states_nc.html.
- *Hear Now* will also provide hearing aids. Please visit <http://www.sotheworldmayhear.org/forms/hearnow.php>

Prescription Drugs

The following prescription drug assistance programs may be useful for chronic disease patients who will need drugs for a long period of time or will be moving out of the state.

- *Prescription Assistance Programs* (PAP's) are available to assist patients in obtaining free drugs. Visit the interactive website at www.helpingpatients.org
- *The Medicine Program* assists in enrolling patients in free drug programs. Visit www.themedicineprogram.com to enroll.

Mammograms

Breast and Cervical Cancer Control Program (BCCCP) provides free or low-cost mammograms, pap tests, breast exams, and education through local health departments and community and rural health centers. Women aged 18 to 64 years below 200% of the federal poverty level are served regardless of documentation status.

Call 1-800-4Cancer to find out the location of the nearest agency providing services through this program.

Durable medical equipment (including crutches or wheel chairs)

Contact local churches, Salvation Army, Goodwill Industries, or Catholic Charities.

North Carolina AgrAbility program may be able to provide assistance to farmworkers and their family members with disabling illness or injury. For more information, call 919-855-3521.

Other

Rotary International oversees local sites offering a wide variety of community services. Please visit their website for local clubs at www.rotary.org/support/clubs/index.html.

Kiwanis International oversees local volunteer and community groups. Visit their website for local clubs at www.kiwanis.org/clubloc/.

Dental Guide Migrant Fee-for-Service Reimbursement and Dental Contracts

THE NORTH CAROLINA FARMWORKER HEALTH PROGRAM (NCFHP) MIGRANT FEE-FOR-SERVICE REIMBURSEMENT AND DENTAL CONTRACTS COVER CERTAIN PREVENTIVE, SIMPLE RESTORATIVE, AND SIMPLE SURGICAL DENTAL SERVICES PROVIDED TO ELIGIBLE INDIVIDUALS. FOLLOWING ARE THE ADA CDT4 DENTAL CODES REIMBURSABLE. NCFHP MAY COVER CERTAIN OTHER PROCEDURES BECAUSE OF PARTICULAR CIRCUMSTANCES (IE. INFECTION). FOR QUESTIONS RELATING TO COVERED SERVICES, PLEASE CONTACT THE NCFHP MIGRANT FEE-FOR-SERVICE MANAGER AT 919-733-2040.

DIAGNOSTIC AND PREVENTIVE

CODE	DESCRIPTION
D0120	PERIODIC ORAL EVALUATION
D0140	LIMITED EVALUATION - Problem-Focused
D0150	COMP. EVALUATION - New or Established
D0210	INTRAORAL - Complete Series
D0220	INTRAORAL PA (First)
D0230	INTRAORAL PA (Each Additional)
D0240	INTRAORAL - Occlusal Film
D0270	BITEWING - Single Film
D0272	BITEWINGS - Two Films
D0274	BITEWINGS - Four Films
D0330	PANORAMIC FILM
D0473	ACCESSION OF TISSUE - Examination & transmission of report
D1110	PROPHYLAXIS - Adult
D1120	PROPHYLAXIS - Child
D1201	FLUORIDE APP. (w/ Prophylaxis) - Child
D1203	FLUORIDE APP. (w/out Prophylaxis) - Child
D1204	FLUORIDE APP. (w/out Prophylaxis) - Adult
D1205	FLUORIDE APP. (w/ Prophylaxis) - Adult
D1330	ORAL HYGIENE INSTRUCTIONS
D1351	SEALANT - Per tooth

PERIODONTAL

CODE	DESCRIPTION
D4210	GINGIVAL CURETTAGE PER QUADRANT
D4341	PERIODONTAL SCALING & ROOT PLANING - 4+ contiguous or bounded teeth spaces per quadrant
D4342	PERIODONTAL SCALING & ROOT PLANING -1 to 3 teeth, per quadrant
D4355	FULL MOUTH DEBRIDEMENT
D4999	UNSPEC. PERIODONTAL PROC.

RESTORATIVE

CODE	DESCRIPTION
D2140	AMALGAM -1 Surface, primary or permanent
D2150	AMALGAM - 2 Surfaces, primary or permanent
D2160	AMALGAM - 3 Surfaces, primary or permanent
D2161	AMALGAM - 4+ Surfaces, primary or permanent
D2330	RESIN COMPOSITE - 1 Surface, Anterior
D2331	RESIN COMPOSITE - 2 Surfaces, Anterior
D2332	RESIN COMPOSITE - 3 Surfaces, Anterior
D2335	RESIN COMPOSITE - 4+ Surfaces, Anterior
D2391	RESIN COMPOSITE - 1 Surface, Posterior
D2392	RESIN COMPOSITE - 2 Surfaces, Posterior
D2393	RESIN COMPOSITE - 3 Surfaces, Posterior
D2394	RESIN COMPOSITE - 4+ Surfaces, Posterior
D2930	STAINLESS STEEL CROWN - Primary Tooth
D2931	STAINLESS STEEL CROWN - Permanent Tooth
D2932	RESIN CROWN - Prefabricated
D2940	SEDATIVE FILLING
D2950	CORE BUILDUP - including any pins
D2951	PIN RETENTION - Per tooth, in addition to restoration
D3110	PULP CAP - Direct (excl. final restoration)
D3120	PULP CAP - Indirect (excl. final restoration)
D3220	THERAPEUTIC PULPOTOMY (excl. final

EXTRACTIONS

CODE	DESCRIPTION
D7111	CORONAL REMNANTS - Deciduous tooth
D7140	EXTRACTION-Erupted tooth or exposed root
D7210	SURG REMOVAL OF ERUPTED TOOTH - (req. elev. of flap, bone rem., and/or part of tooth)
D7220	REMOVAL OF IMPACTED TOOTH - soft tissue
D7230	REM. OF IMPACTED TOOTH - partially bony
D7240	REM. OF IMPACTED TOOTH - comp. bony
D7241	REM. OF IMPACTED TOOTH - completely bony, w/ surgical complications

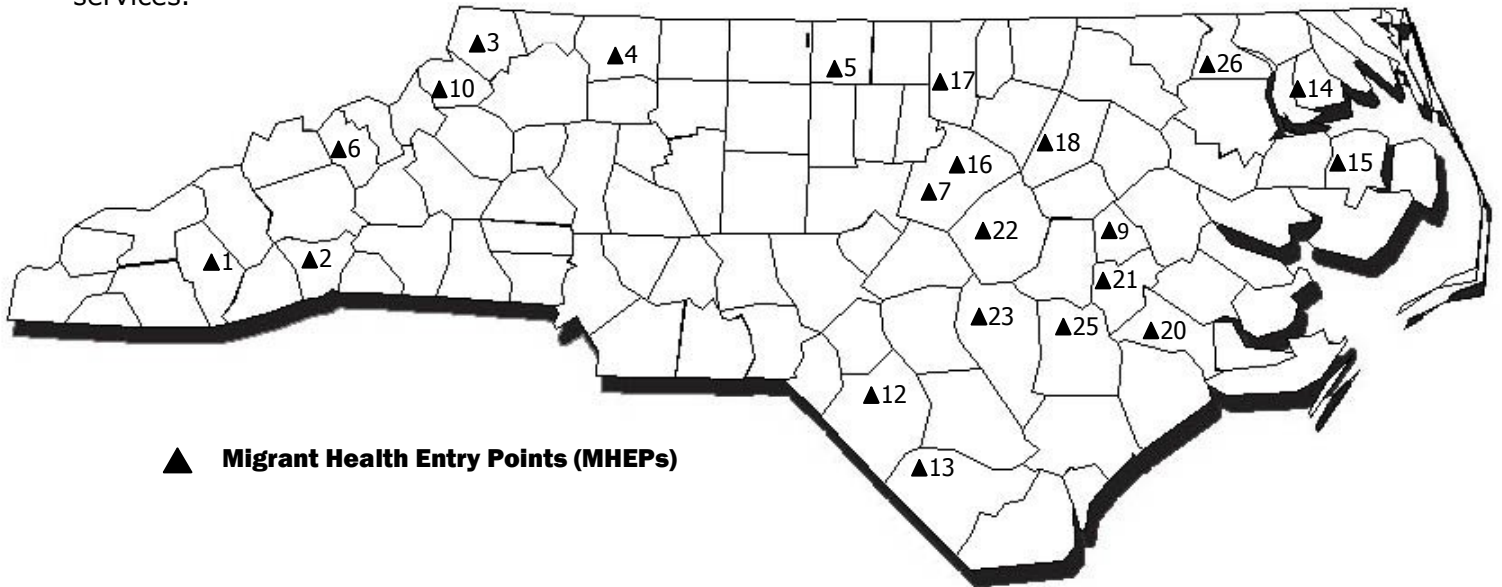

ADDITIONAL SURGICAL

CODE	DESCRIPTION
D7285	BIOPSY OF ORAL TISSUE - Hard (bone, tooth)
D7286	BIOPSY OF ORAL TISSUE - Soft (all others)
D7310	ALVEOPLASTY IN CONJUNCTION W/ EXTRACTIONS - per quadrant
D7451	REMOVAL OF BENIGN CYST OR TUMOR - lesion greater than 1.25 cm
D7510	INCISION AND DRAINAGE OF ABSCESS - Intraoral soft tissue
D7520	INCISION AND DRAINAGE OF ABSCESS - Extraoral soft tissue
D7960	SUTURE OF SMALL WOUNDS -UP TO 5 CM
D9110	FRENULECTOMY - separate procedure
D9210	PALLIATIVE TREATMENT - dental pain, minor
D9220	LOCAL ANESTHESIA-w/o other operative proc.
D9221	GENERAL ANESTHESIA - first 30 min.
D9221	GENERAL ANESTHESIA - each add. 15 min.
D9230	ANALGESIA - Inhalation of Nitrous Oxide

Updated: 6/1/2009

2009-2010 Fee-for-Service Program Migrant Health Entry Points (MHEPs)

A MHEP is a point designated by the North Carolina Farmworker Health Program to certify migrants, using the Migrant Health Eligibility Forms. A MHEP is an entity chosen based on density of farmworkers in the service area, number of farmworker patients served by the agency, and the agency's ability to offer linguistically-appropriate services, night or weekend hours, and outreach services.

Migrant Health Entry Point Numbers (county coverage area for services*)

- 1) Vecinos, Inc. (Jackson, Swain, Macon, Haywood, Transylvania)
- 2) Blue Ridge Health Services (Henderson)
- 3) Farmworker Health Program of Ashe and Alleghany Counties (Ashe, Alleghany)
- 4) Surry County Health and Nutrition Center (Surry, Yadkin, Stokes)
- 5) Piedmont Health Services (Orange, Caswell, Person, Alamance)
- 6) Yancey County Health Department (Yancey, Madison, Mitchell)
- 7) Wake County Farmworker Health Program (Wake)
- 9) Greene County Health Care, Inc. (Greene, Pitt, Wayne, Lenoir, Edgecombe)
- 10) Watauga Medical Center (Watauga, Avery, Caldwell)
- 12) Robeson Health Care Corporation (Robeson, Scotland)
- 13) Columbus County Community Health Services (Columbus, Bladen, Brunswick)
- 14) Albemarle Regional Health Services (Pasquotank, Camden, Perquimans, Chowan, Currituck)
- 15) MTW Health Department (Martin, Tyrrell, Washington)
- 16) NC Farmworker Health Program (administrator of Migrant Fee-for-Service Program)
- 17) Oxford Family Physicians (Granville, Vance, Warren)
- 18) Carolina Family Health Center (Nash, Wilson, Edgecombe)
- 20) Jones County Health Dept (Jones, Carteret)
- 21) Kinston Community Health Center (Lenoir)
- 22) NC Farmworkers Project & Benson Area Medical Center (Johnston, E. Harnett, N. Sampson)
- 23) Tri-County Community Health Council (Sampson, Harnett, Johnston, Bladen, Pender)
- 25) Duplin General Hospital, Latino Health Care Access & Duplin Medical Association (Duplin)
- 26) Roanoke Chowan Community Health Center (Hertford, Gates, Northampton, Bertie)

* Referrals may be made outside of the MHEP areas listed. Please refer to the contact list for addresses and to locate the MHEP nearest you.
